**July 2- 31, 2010**

PHOENIX, Arizona – **Nathan Feller** introduces his new work, ***Misc. & Etc.***, in which he created emblematic two- and three-dimensional prints that aim to connect the viewer with a unique perspective on the typical and mundane aspects of everyday life. Feller made small-scale prints to draw the viewer closer and examine the work intimately. He sees these creations as an examination of new metaphors representing our individual peculiarities and uses them as constructive tools to reflect on the ways in which we act.

***Misc. & Etc.*** will open on **First Friday, July 2nd at 5pm** and there will be an **artist reception on Third Friday, July 16th, 5-9pm**. The show closes on **Saturday, July 31st**.

**LOCATION: Five15 Arts, 515 East Roosevelt St., Roosevelt Row, Phoenix, AZ**
